

## TRENTO ELECTRIC SAUSAGE STUFFER - 33 lbs (15 L) Capacity

ITEM: 48309  
MODEL: SS-IT-0015

Pedal

### The high performance, professional electric sausage stuffer.

A compact and versatile machine, this sausage stuffer offers exceptional efficiency with minimal energy consumption, high working speed, and quiet operation.

#### FEATURES:

- Pedal-operated with automatic piston return
- Complies with food contact regulations
- Constructed: Stainless Steel (including cylinder, screws, and base)
- Welded joints ensure a secure, leak-proof cylinder
- Designed for easy and thorough cleaning
- Durable forged and hardened steel gears
- Lifetime-lubricated gear-motor unit
- Easy-to-remove high-performance plastic piston with silicone gasket and quick-release vent valve
- User-friendly control panel
- Adjustable working speed via electronic control
- High safety standards: low-voltage motor, overload protection, and mechanical safety switches
- Removable cylinder with handle for quick loading and cleaning
- Energy-efficient internal power supply
- Manual emergency release device in case of power failure
